

Battle Primary School Council Minutes 7.1.11

Present: KS1; KS2 school council reps.

1. Home-School Agreement

- We read through and discussed the new Home-School Agreement for new starters at Battle Primary.
- School Council agreed that new agreement was ok.

2. New sanctions for classroom, corridors and playground

- We read through and discussed all the different sanctions and agreed they were ok/fair.
- The children would like to have a whole school assembly to tell everyone what is going to happen.
- They would like to have a trial period for 2 weeks so we can see if it works and whether there are any teething problems.

3. Quiet Garden

- Children asked when they could start using the new Quiet Garden.
Miss York mentioned that the school is waiting for a fence/gate to be built. She said she will find out when it is being completed.

4. School Website

- Dean said that when you go on the website there isn't very much information. He said we need to have a list of names of all the school council children plus a group photo (like on the School Council Notice Board). He suggested there should be a way of children being able to post up suggestions for the school council to discuss in their meeting. We also noted that we need a link so we can post out SC minutes on the website too.
- Miss York asked for volunteers to type up the minutes after each meeting and give to Miss Bonner to put on the School Website:
Lauren, Dean, Shaun, Edson, Eloise, Yue Yue, Liam.

5. School Council Suggestion Box & Notice Board

- Miss York suggested we have a Suggestion Box, which could go by the School Council Notice Board. School Council agreed this is a good idea.
- Dean said we need regular updates on Notice Board. So children suggested putting a copy of the minutes there too.

6. School Meals Consultation

- Miss York said that on 31 January there's going to be a School Meals Consultation meeting between 12 and 1pm.
Volunteers to talk to visitor are: Lauren, Erika, Eloise, Dean, Miah and Tyler.

7. Next School Council Meeting: to be asap (next week).

- Need to discuss Learning Walk; visit another school's school council to see what ideas they put into action to improve their school.
